Service Hours Opportunity

We would like to have a few responsible girls/boys to assist with babysitting while Moms are working at the rummage sale. We thought we would start with M-W-F, from 9:30 to 12:30. We would ask the Moms to bring lunch for the wee ones. We're thinking of children between the ages of 2-6... Babies can stay with Mom; I am waiting to see how the sheds will be installed to see if that presents a hazard for the sitters/kids. But we can start trolling for helpers.

The Soup Kitchen could also use help on the second Friday of the month. Loading the car at IC, and unloading the car at the site. We usually go up at 2 pm, and they could get a ride home at 5:30-pm.

Margaret Pezzella and Stewart Adams thought the babysitting would work well for the parents, kids and older kids. So, if you have questions we can hopefully answer them.....
